BUILDING INSPECTOR/CEO

Mike Kaleta updated the Board on the upcoming Website. He asked the Trustees to log into the new accounts on Google. Still working on the calendar, but the Website should be live by the end of the week.

Trustee Moriarty thanked Mike Kaleta for all the work he has put into the Website.

CONTROL CENTER

Trustee Chamberlin informed the Board that the Code Red Alert System will be part of the new enhanced 911 System that the Control Center will be purchasing. This will be a more efficient and timely way of informing residents of emergencies than the New York Alert System that is in place now.
