

The last Certificate of Appropriateness before the Board is from Bill Gugino and the property located at 243 W. Main Street. He would like to extend an existing roof to secure and close up an exposed area. Bill Gugino is also looking to add some windows with Iron Grates to match the existing windows in the same area of the building which used to be an open smoking area.

*John Baronich made the motion to approve the application as presented, seconded by Don Orton. All in favor, none opposed.*

While Bill Gugino was there, he brought up some more ideas that Steel Bound Brewery has for the building. One of the ideas is putting in an outdoor patio on the front of the building with some type of railing to go around the area. They would also like to cover the patio area.

The Board and Bill Gugino played around with a lot of ideas and situations and ended the discussion with Bill Gugino coming to the May 14<sup>th</sup> meeting with some drawings and a material list.

Helen Brogan made the motion to adjourn at 8:00 pm, seconded by Don Orton. All in favor, none opposed.

Respectfully Submitted,
