Peggy Austin with the Trading Post located at 38 Franklin Street. She is looking to repair Roofing and Windows with grant money that they will be receiving. Eventually they would also like to Side the building with additional grant money, but for now it is just the Roofing and Windows.

The Board told her she would need to bring in a Certificate of Appropriateness and a sample of the materials that would be used for the Roof, Windows and Siding.

Thomas Roberts came before the Board to talk about the Great Race Brewery located at 18 E. Main Street. Mr. Roberts would like to expose four (4) of the original Windows in the building.. They are 6ft. x 7ft. with steel frames and wired glass. They also want to do work on the two (2) Garage Doors and Man Door.

The Board said that it would be acceptable to open and restoring the four (4) Windows along with the two (2) Garage Doors and Man Door on the East side of the building. One of the Garage Doors would be glass and one of the Garage Doors may or not be glass, but would still be a similar design as it is now.

Don Orton made the motion to adjourn at 8:20 pm, seconded by John Baronich. All in favor, none opposed.

Respectfully Submitted,

Jennifer Blumenstein
