

VILLAGE OF SPRINGVILLE
2019 MINUTES

June 3, 2019

7:00 P. M.

The Regular Meeting of the Trustees of the Village of Springville was held at the Village Municipal Building, 65 Franklin Street, Springville, New York at the above date and time.

Present were:

Mayor	William J. Krebs
Trustees	Alan Chamberlin Kim Pazzuti Elise Rose Nils Wikman
Village Administrator	Liz C. Melock
Village Attorney	Yvonne Tripi
Building Inspector/ Code Enforcement Officer	Michael Kaleta
Superintendent of Public Works	Ken Kostowniak
Police Officer in Charge	Nicholas Budney
Fire Chief Deputy Clerk	Marc Gentner (excused at 7:06 pm) Holly Murtiff
Also Attending	Erie County Legislator John Mills Nancy Heath, Assistant to J. Mills
Tracy Maybray, SCA Claire Wrazin, SCA Students from the SGI High School Government class	Max Borsuk, Springville Journal Kellen Quigley, Springville Times

Mayor Krebs called the meeting to order at 7:00 PM.

1. Minutes Minutes of the Regular Meeting of April 15, 2019 were approved after corrections by Trustee Wikman, seconded by Trustee Chamberlin; carried, Trustees Wikman, Chamberlin, Pazzuti and Rose voting yes, none opposed, Mayor Krebs abstaining.

PRESENTATIONS

2. County Legislator Mills At this time Erie County Legislator John Mills addressed the Mayor and Board with an update in local and county wide news.

FIRE REPORT

In order to dismiss Chief Gentner early to attend the SVFD monthly meeting the Fire Report was taken out of order at this time.

Chief Gentner reported on the following;

- Calls
- Equipment
- Training
- Recruitment
- General Information

PUBLIC COMMENT

Tracy Maybray from Springville Center for the Arts (SCA) introduced this year's art intern, Claire Wrazin. SCA has plans for youth art projects this summer being planned with the first planned project the painting of the spray park pad. The village is currently planning to repaint the pad a basic blue and the Claire and other volunteers will come in and paint a child friendly water theme. After reviewing the proposed themes all agreed they liked one of them with a whale and fish motif with a few modifications. This work will be completed within the next few days.

DEPARTMENT REPORTS

ADMINISTRATOR REPORT

3. LL 2019-8
Lead Agency After explanation by Administrator Melock, motion was made by Trustee Chamberlin, seconded by Trustee Wikman; carried, Mayor Krebs, Trustees Chamberlin, Wikman, Pazzuti and Rose voting yes, none opposed to naming the Village of Springville Village Board as the Lead Agency for the LL 2019-8, Section 170 Trees-Revisions.
4. LL 2019-8
Neg Dec/
SEQR Motion was made by Trustee Wikman, seconded by Trustee Chamberlin; carried, Mayor Krebs, Trustees Wikman, Chamberlin, Pazzuti and Rose voting yes, none opposed to approve the SEQR and Negative Declaration for LL 2019-8, Section 170 Trees-Revisions.
5. LL 2019-9
Waverly
Rezone After explanation by Administrator Melock, motion was made by Trustee Wikman, seconded by Trustee Chamberlin; carried, Mayor Krebs, Trustees Wikman, Chamberlin, Pazzuti and Rose voting yes, none opposed to naming the Village of Springville Village Board as the Lead Agency for the LL 2019-9, Waverly Rezone.
6. LL 2019-9
Neg Dec/
SEQR Motion was made by Trustee Wikman, seconded by Trustee Chamberlin; carried, Mayor Krebs, Trustees Wikman, Chamberlin, Pazzuti and Rose voting yes, none opposed to approve the SEQR and Negative Declaration for LL 2019-9, Waverly Rezone.
7. 2018 DWI
Resolution Motion was made by Trustee Chamberlin, seconded by Trustee Wikman; carried, Mayor Krebs, Trustees Chamberlin, Wikman, Pazzuti and Rose voting yes, none opposed to authorize Mayor Krebs to sign the 2018 DWI contract.
8. Time Warner
Cable
Correcting
Petition After explanation by Administrator Melock, motion was made by Trustee Wikman, seconded by Trustee Pazzuti; carried, Mayor Krebs, Trustees Wikman, Pazzuti, Chamberlin and Rose voting yes, none opposed to authorizing Mayor Krebs to sign the correction petition for the 19/20 tax bill for SBL #555.00-92-1 due to the payment being part of the cable franchise agreement.
9. Budget
Modification Motion was made by Trustee Wikman, seconded by Trustee Chamberlin; carried, Mayor Krebs, Trustees Wikman, Chamberlin, Pazzuti and Rose voting yes, none opposed to approve the attached budget modifications 060319 A.1.

Administrator Melock took this opportunity to remind everyone of the following;

- Recycling carts will be delivered to homes 6/5 – 6/6
- 19/20 Village tax bills were mailed out on 5/31

SUPERINTENDENT REPORT

Superintendent Kostowniak reported on the following;

- A notice letter was sent to Peerless Winsmith to repair driveway access from N Central Ave. Numerous times tractor trailer traffic has become stuck trying to make turn onto Eaton and/or hit Village electric pole and lawn damage.
- Attended NYMPA meeting on 5/22. Discussed TCC charges and cost increases from congestion mitigation. NYMPA has a Congestion Mitigation Program (CMP) which has funds to help all members offset the drastic increase in our rates. Also, vote was held to elect new board member for vacancy left by departure of Massena Electric. Majority of meeting was discussing the transmission congestion issues in the state due to closing of fossil fuel plants. Resolution was passed to approve PLM Engineering to continue study and make recommendation to NYMPA Board on addressing TCC charges.
- The WWTP is permitted by NYDEC for 1.15 MGD daily average for each month. Flows are measured by a transducer at the head of the plant. This monitors the flows continuously throughout the day and provides the daily average and monthly summary. Our off-peak flow is described as the amount of flow we have during the overnight when businesses are closed and people are sleeping, peak flow is the inverse. We monitor flows real time during the day and routinely check during rain events, during peak flow rain events we have been under, at or slightly over our permitted level (depending on how heavy the rainfall is), very positive results from our lining and manhole projects. While flow is important to monitor, the BOD (biochemical oxygen demand), DO (dissolved Oxygen) and TSS's (total suspended solids) along with bacterial counts in the effluent are more closely monitored by NYDEC and EPA. The WWTP did have a non-compliance event on Saturday 5/25. The non-compliance event was high fecal coliform test result due to only **partial** disinfection of the effluent stream. Chief Operator issued NY-Alert notification immediately, and followed up with written notification to NYDEC. Myself, Rich and Liz also called NYDEC on Monday a.m. to report and discuss any items to address. NYDEC (Dan Judd) said we followed correct action and NYDEC has no issues. This was caused by operator error. The UV building has 2 channels for disinfection and only one side at a time is used turned on. Chief Operation was able to correct the situation by closing the channel not receiving UV treatment. Fecal coliform is present in streams and waterways already and not a high level threat to public health. FYI if this was E.coli, more notification will be sent. Water / Sewer Department completed repairing sanitary sewer main on Colonial Drive to reduce infiltration. The section of sanitary sewer crossing roadway is only point of infiltration now. This 135' of 6" VTP is leaking at its joints and needs replacing, will list this as a priority area for I & I offset program. Attended NY Rural water conference with 3 employees of water/sewer and WWTP. Attended classes for CEU needed for operators licenses on various topics, ie: backflow, social media, environmental conditions affecting subsurface water sources, waste streams, electrical safety. Will be developing revisions to our code to regulate discharges into sanitary sewers by brewery's, also waste hauling of brewing by products. Code will **not** be to deter these types of operations, but to minimize negative impacts from by- products of production, and reduce BOD in WWTP.

10. Hydrant Relocation Bid Results Motion was made by Trustee Chamberlin, seconded by Trustee Wikman; carried, Mayor Krebs, Trustees Chamberlin, Wikman, Pazzuti and Rose voting yes, none opposed to authorize Mayor Krebs to sign agreement with Wm Bognar Construction to relocate the Shuttleworth hydrant per prior bid award, after village attorney approval.
11. Digester Cover Replacement Motion was made by Trustee Wikman seconded by Trustee Pazzuti; carried, Mayor Krebs, Trustees Wikman, Pazzuti, Chamberlin and Rose voting yes, none opposed to authorize Mayor Krebs to sign agreement with H & K Services, Inc. per prior bid award, after village attorney approval for digester cover replacement.

12. Water Division Building After explanation by Superintendent Kostowniak, motion was made by Trustee Wikman, seconded by Trustee Rose; carried, Mayor Krebs, Trustees Wikman, Rose, Chamberlin and Pazzuti voting yes, none opposed to **not award** the bid for the heated building for Water division due to all bids submitted were drastically over budgeted amount. The bid package may be revised and rebid in the future pending board approval.
13. Electric Scrap Motion was made by Trustee Rose, seconded by Trustee Wikman; carried, Mayor Krebs, Trustees Rose, Wikman, Chamberlin and Pazzuti voting yes, none opposed declaring the below list of items as scrap and to be disposed of by recycling.
