Weeks highlighted in yellow are when limbs and brush will be picked up. No containers or bags will be picked up. Limbs and brush must be out the Sunday before as the trucks run a route on the village streets. Once they have passed your street they will not be back until the following highlighted week for pickup.

Limbs and brush should be placed horizontal to the curb or street and not block any sidewalks or crosswalks. No root balls or lawn clippings will be picked up.

The week of May 20th will be combined limb, brush and leaf pickup. This will be the only leaf pickup in the spring.

October and November will have limited limb and brush pickup as the crews will be concentrating on leaf pickup.

Leafs should be raked to the curb, not in the street or blocking sidewalks, and not in a container or bag. Leaves and brush should be kept in separate piles as they are collected at different times.

Last week of pickup for the year will be the week of Nov 18th.
